Permission for Publication of Abstract in SPE South Australia Section

This form serves as confirmation of your agreement to publish an abstract of your technical paper on SPE South Australia section website (<https://www.spe-sa.org>).

Please complete and submit this reply form, with a 300-500 words abstract that includes at least one graphic (diagram, chart, table, or picture), by 11 July 2022.

If you opt not to grant this permission, it **will not affect** the publication and/or presentation of your paper at the upcoming APOGCE 2022.
